1.7 DISCRETIONARY RISK OF THE MECHANICAL BREAKDOWN WARRANTY

AWN has discretion as to whether it will or will not pay a Claim that falls within the Mechanical Breakdown Warranty Terms and Conditions and Limitations. AWN will not exercise that discretion in a way that is unfair and unconscionable, within the Terms and Conditions and limitations of the Mechanical Breakdown Warranty and will always consider the merits of the Claim and the requirements of the applicable State and Commonwealth legislation.

We also have a comprehensive Complaints Resolution Process (Section 3.15) which is explained in this document.

As this Mechanical Breakdown Warranty is a discretionary product it does not offer the same level of protection as an insurance product. The level of protection is limited to the Covered Components listed under the heading Significant Characteristics of this Product only. However, AWN has satisfied the Australian Securities and Investments Commission (ASIC) requirements for an Australian Financial Services Licence.

This Mechanical Breakdown Warranty is not associated with the manufacturer of your Caravan nor is it an extension of any warranty that was provided by the manufacturer or the Selling Agent. Claims against the manufacturer or the Selling Agent may be available under the Australian Consumer Law. This Mechanical Breakdown Warranty is not a repair or maintenance program for your Caravan.

There is also a risk when purchasing this Mechanical Breakdown Warranty that one or more of Your Claims may exceed the applicable Benefit Limit for a particular Covered Component under this Mechanical Breakdown Warranty.

Detailed information about the Mechanical Breakdown Warranty Benefit Limits for each benefit under Your Product is listed under Significant Characteristics of this Product (Section 2.2). There is also a risk that if You fail to meet any of the conditions set out in this Mechanical Breakdown Warranty Product, AWN may not exercise its discretion in Your favour. Make sure You carefully read the Terms and Conditions for details of the servicing and other conditions that apply to this Mechanical Breakdown Warranty.

1.8 BENEFITS OF THE MECHANICAL BREAKDOWN WARRANTY

This Product will benefit You should a mechanical failure occur, and that failure is caused by a defect, failure or fault of a Covered Component under the terms of this Mechanical Breakdown Warranty. In the event of a failure, Covered Components will be rectified up to the limits allowed. Terms of coverage and limits of liability are set out on the following pages.

The Mechanical Breakdown Warranty terms and limits of liability should be read in conjunction with Your Obligations (Section 8 of the Terms and Conditions).

The cover provided by this Mechanical Breakdown Warranty saves You the cost of repairs should a failure in a Covered Component occur. Further, Awn's experience, knowledge and expertise allow Awn to direct Your Caravan to the closest Approved Repairer. Parts for repairs can generally be sourced at a lower cost by Awn, which also represents a saving to You where a claim may exceed the limits of Our liability.

1.9 COST OF THE MECHANICAL BREAKDOWN WARRANTY

The cost of the Mechanical Breakdown Warranty is dependent on the type of Caravan and the cover term You select. In addition to the Premium, You also need to pay any applicable taxes and/or charges such as Goods and Services Tax (GST). The total Premium and amount of these taxes and/or charges will be shown on Your application.

The total Premium will also be determined by the payment method used by You. If the Premium is financed or if You use a credit card, interest charges will apply but will differ depending on Your financial provider. Administration charges may also apply if You select to pay by instalments option.

1.10 COOLING OFF PERIOD

You may cancel this Product for any reason within 30 days from the Application Date by notifying Us in writing, or by calling Us on (07) 3802 5577 or emailing Us at claims@theclaimshub.com.au. This is known as the Cooling-Off Period. You will need to return the Product Schedule to Us, together with a letter to request cancellation of the Product during the cooling-off period.

If the Product has been issued to more than one person each person must authorise and sign the cancellation request.

Provided no Claim has been paid or You have not made a valid Claim, We will refund the amount paid, less any taxes, charges or duties which We cannot recover from other sources. After the Cooling-Off Period ends You still may have Cancellation Rights which are noted in this Mechanical Breakdown Warranty.

1.11 QUALITY GUARANTEE

All repairs to Covered Components authorised by Us prior to the commencement of work will also be covered by this Mechanical Breakdown Warranty for the remaining period of cover under this Product. You may also have the additional benefit of consumer guarantees under the Australian Consumer Law in relation to the quality of the repairs and any replacement components. Please tell Us if You are not satisfied with the authorised repairs.

1.12 PAY BY INSTALMENTS

You can choose to pay the Premium in instalments to help spread Your payment over time by one of two methods.

- Independent Third-Party Provider; or
- Monthly Payments by Administered Subscription

Independent Third-Party Provider

Please note this facility is not part of the Product Terms and Conditions as it is an additional service. Additional administration charges may apply to use this facility; therefore, the cost may be more than if You choose to pay the full Premium by a single payment. The third-party provider, if required, will provide any disclosure documentation for Your perusal and acceptance if You select this payment option.

The following additional conditions apply using the independent third-party provider pay-by-instalments option:

- If You are paying by instalments and an instalment remains unpaid for 14 days or more, without notice to or arrangement with the third-party provider, We may refuse a Claim.
- If You have an authorised Claim during the pay-by-instalment term, We may, after giving notice to You, deduct any outstanding instalments from the Claim amount We authorise.
- If You transfer the Product to a new owner throughout the term of the Instalment Plan, the balance of the Instalment Plan must be paid in full before the Product can be transferred. For all Transfer details, (Section 1.14) see below.
- If You fail to make a payment or repayment of the Instalment Plan in full by the due date the provider may, at its absolute discretion, charge a late fee proportionate to the additional fees and administrative duties applicable to the transaction.

Monthly Payments by Administered Subscription

The payment model is offered by Us and is a subscription model where you pay monthly instalments.

The following additional conditions apply using the pay-by-instalments option:

- You must ensure that Your first and any subsequent instalment Premium payments are made by the due dates. You are responsible for paying any outstanding Premium if we authorise Your claim.
- If You are paying by instalments and an instalment remains unpaid for 14 days or more, We may refuse a Claim.
- If an instalment payment is not paid, we will send You a missed payment notification, which informs You of Our intention to cancel the Product if it remains unpaid. After 3 attempts to seek payment (each attempt takes approximately 7 days), the Product is cancelled automatically based on the final missed payment notification.
- If You transfer the Product to a new owner throughout the term of the Instalment Plan, the balance of the Instalment Plan must be paid in full before the Product can be transferred. For all Transfer details, (Section 1.14) see below.
- If the Product is cancelled for any reason, a cancellation fee of \$100.00 will be incurred. This fee covers administrative, and processing costs associated with the cancellation.

Deductions from Your claim

If You make an authorised Claim during a pay-by-instalment period, the outstanding balance of Your Instalment Plan must be paid in full before We can proceed with authorising the Claim.

If prior arrangements have been agreed in writing, We may instead deduct any unpaid Premium, including any overdue instalments, from the authorised Claim amount.

Dishonoured payments

If any instalment payment is dishonoured or reversed for any reason, You remain responsible for the unpaid instalment and any fees or charges applied by Us or our payment service provider in connection with the dishonour.

Where permitted by law, We may recover all such dishonoured payment fees as part of the Instalment Plan and may require these amounts to be paid before a Claim is authorised or deduct them from an authorised Claim amount.

1.13 DOCUMENT REPLACEMENT

In the event You lose or are unable to locate Your Product documentation, You may apply for a replacement document. No fee will be charged if it is sent by email to You.

If You are not in breach of the terms of this Product You may transfer the benefits of this Mechanical Breakdown Warranty to a new owner of the Caravan. As a prerequisite to transferring the Product, We require the following:

- Proof of a current Safety Inspection Report and ownership; and
- A mechanical inspection acceptable to Us; and

1. If the Mechanical Breakdown Warranty Premium is financed, any refund will be made to the financier or whomever the financier directs Us to pay.
2. If You are paying by instalments and an instalment remains unpaid for 14 days or more, the Product is cancelled automatically without further notice to You. If the Product is cancelled for any reason, a cancellation fee of \$100.00 will be incurred. Please see previous Pay By Instalment clause of this document.
3. If there is Roadside Assistance included within the Product, this cannot be cancelled separately.
4. Any complimentary Product will be cancelled but there will be no refundable amount.

We may cancel the Mechanical Breakdown Warranty if:

5. You fail to comply with Your obligations;
6. You, or a person acting on Your behalf, or otherwise with Your knowledge, provide false or misleading information in relation to a Claim;
7. If the Caravan has at any time been used for rallying, racing, and competitive driving or tested for any such events.

How We Calculate Your Refund if You Cancel Early (Rule of 78)

If You cancel Your Product before the end of the term, We use an industry-standard method called the **Rule of 78** to work out how much of Your Premium has been “used” and how much We can refund to You.

What the Rule of 78 Means

The Rule of 78 assumes that more of the Premium is used in the earlier months of Your coverage. There are **no extra administration fees built into this method**, but it does mean Your refund reduces more quickly at the start of the policy.

How It Works

For a 12-month policy, the months are given weights that add up to **78**.

Month 1 has the highest weight, and Month 12 has the lowest.

- Month 1 uses **12/78ths** of the Premium
- Month 2 uses **11/78ths**
- Month 3 uses **10/78ths**, and so on

When You cancel, We add up the weights for the months You have already been covered. This tells Us how much of Your Premium has been “earned”. The rest is the amount We refund to You (less any approved cancellation fee in Your Product Disclosure Statement).

Example

If Your Premium is **\$1,200 for 12 months** and You cancel after **3 months**:

- Months used: $12 + 11 + 10 = 33/78\text{ths}$ of the Premium
- Earned Premium: $33/78 \times \$1,200 = \507.69
- Refundable amount: $45/78 \times \$1,200 = \692.31
- If a cancellation fee applies, it is deducted from the refundable amount.
- If there is any outstanding dishonoured fees, they will be deducted from the refundable amount.

3.9 TAXATION INFORMATION

Premiums are subject to Goods and Services Tax (GST) and Stamp Duty imposed by Commonwealth and State Governments. GST will also affect any Claim You make under the Product. Please refer to the Goods and Services Tax (Section 3.10) below.

Generally, Your Premiums are not tax-deductible and Claims payments are not assessable income for tax purposes unless You purchase Your Product for business purposes. This taxation information is a general statement only. You should seek professional taxation advice for information about Your personal circumstances.

3.10 GOODS AND SERVICES TAX (GST)

Any Claim payments made under the Product will be based on GST-inclusive costs, up to the relevant maximum amount that We pay. However, if You are or would be entitled to claim any input tax credit for any of the things covered, We will reduce any Claim under the Product by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST.

You are liable to Us for any GST liability We incur arising from Your incorrect advice or inaction.

3.11 OTHER PRODUCTS

If at the time of a valid Claim under this Product, there is another Product in force that covers You for the same loss or expense, We may seek recovery of some or all of Our costs from the other insurer. You must give Us any help or information We may need to assist Us with Our loss recoveries.

3.12 FRAUDULENT CLAIMS OR MISLEADING INFORMATION

We take a robust approach to fraud prevention in order to keep Premium rates down so that You do not have to pay for another person's dishonesty. If any Claim under this Product is deliberately fraudulent, exaggerated, or is intended to mislead, or if any deliberately misleading or fraudulent means are used by You or anyone acting on Your behalf to obtain a benefit under this product, Your right to any benefit under this Product will end, Your Product will be cancelled without any Premium refund and We will be entitled to recover any benefit paid and costs incurred as a result of any such deliberately fraudulent or misleading Claim. We may also inform the police.

3.13 SUMMARY OF RIGHTS AND REMEDIES UNDER THE ACL

The protection afforded to You under this Product is in addition to and does not substitute for, or reduce the rights You have under the Australian Consumer Law (ACL). If and to the extent that You have a right to claim under the ACL, You may also need to Claim under Your Product when not covered by the ACL.

The ACL protects consumers by automatically giving them basic, guaranteed rights for goods they purchase ('Consumer Guarantees') at no charge. For example, the ACL requires that, taking account of the nature of goods, the price, any representations made by the supplier or manufacturer and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known, and comply with any description given or any demonstration model used.

In the event of a breach of a Consumer Guarantee where there is a major failure of the goods, consumers are entitled to reject the goods and choose a replacement or refund and claim compensation for any reasonably foreseeable loss or damage suffered by consumers as a result of the failure. Where the failure does not amount to a major failure, consumers are entitled to have the supplier repair or replace the goods (at the supplier's choice). Whether a specific failure breaches a Consumer Guarantee and a consumer is entitled to a remedy under the ACL will depend on the circumstances.

Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable to expect in the circumstances, given factors including the age, cost and quality of the goods, the use made of the goods or any representation made by the supplier or manufacturer. Consumer Guarantees may continue even at the expiry of the Manufacturer’s Warranty for the Caravan or this Product. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances.

Caravans may also have an additional Statutory Warranty. The provisions of such warranties vary from State to State. Any Statutory Warranty may be in addition to or overlap the ACL and may also operate concurrently with the ACL.

3.14 ADDITIONAL BENEFITS UNDER THIS MECHANICAL BREAKDOWN WARRANTY NOT AVAILABLE UNDER THE ACL

We appreciate that You may want the certainty of knowing that if the Caravan You buy is faulty, it is covered for specific events and a specific time period.

When You purchase this Product You are obtaining certainty as to the period of coverage and the remedy You will receive and the convenience of having the repair and/or replacement process efficiently managed for You by AWN and work undertaken by one of Our Approved Repairer.

You will be entitled to the benefits set out in this Product that are not available under the ACL which, subject to the terms and conditions of the Product, are:

- Certainty as to the exact period of cover You have for Your Covered Components;
- Specific repair time guarantee (dependent on diagnosis and parts availability);
- Expert advice and assistance;
- Specified coverage amounts and Additional Benefits; and
- A network of trusted Approved Repairers.
