1.6 BENEFITS OF THE POLICY

This Product will benefit You should a mechanical and/or electrical failure occur, and that failure is caused by a defect, failure or fault of a Covered Component under the terms of this Policy. In the event of a Claim, Covered Components will be rectified up to the limits of liability for those components and subject to the type of Product You entered into. Terms of coverage and limits of liability are set out in the following pages.

These terms and limits of liability should be read in conjunction with the Terms and Conditions in Section 2.8 'Your Obligations'.

The coverage provided by this Product saves You the cost of repairs should a failure of a Covered Component occur. Further, AWN's experience, knowledge and expertise allow AWN to direct Your Motor Vehicle to the closest Approved Repairer. Parts for repairs can generally be sourced at a lower cost by AWN, which also represents a potential saving to You where a Claim may exceed the limits of Our liability or to the Total Benefit Limit.

1.7 COST OF THE MECHANICAL & ELECTRICAL BREAKDOWN INSURANCE

The cost of the Mechanical & Electrical Breakdown Insurance is dependent on the level of coverage You select. In addition to the Premium, You also need to pay any applicable Commonwealth and State taxes and/or charges such as Goods and Services Tax (GST) and Stamp Duty. The total Premium and amount of these taxes and/or charges will be shown on Your application.

The total Premium will also be determined by the payment method used by You. If the Premium is financed or if You use a credit card, interest charges will apply but will differ depending on Your financial provider. Administration charges may also apply if You select to pay by instalments option.

1.8 COOLING-OFF PERIOD

You may cancel this Policy for any reason within 30 days from the Application Date by notifying Us in writing, or by calling Us on (07) 3802 5577 or emailing Us at claims@theclaimshub.com.au. This is known as the 'Cooling-Off Period'. You will need to return the Policy Schedule to Us, together with a letter to request cancellation of the Policy during the cooling-off period. If the Policy has been issued to more than one person each person must authorise and sign the cancellation request. Provided no Claim has been paid or You have not made a valid Claim, We will refund the Premium paid, less any taxes, charges or duties which We cannot recover from other sources. After the Cooling-Off Period ends You still may have cancellation rights (see Section 2.13).

1.9 QUALITY GUARANTEE

All repairs to Covered Components authorised by Us prior to the commencement of work will also be covered by this Policy for the remaining period of cover under this Policy. You may also have the additional benefit of consumer guarantees under the Australian Consumer Law in relation to the quality of the repairs and any replacement components. Please tell Us if You are not satisfied with the authorised repairs.

1.10 PAY BY INSTALMENTS

You can choose to pay the Premium by instalments to help spread Your payment over time. This facility is not part of the Policy Terms and Conditions as it is an additional service provided by a third-party provider. Additional administration charges may apply to use this facility, therefore the cost may be more than if You choose to pay the full Premium by a single payment. The third-party provider, if required, will provide any disclosure documentation for Your perusal.

The following additional conditions apply to pay by instalments Premium;

- If You are paying by instalments and an instalment remains unpaid for 14 days or more, We may refuse a Claim.
- If an instalment remains unpaid for a period of one month past its due date, We can cancel the Policy.
- If You have an authorised Claim during the pay by instalment term, We will deduct any outstanding instalments from the Claim amount We authorise.
- If You transfer the Policy to a new owner throughout the term of the Instalment Plan, the balance of the Instalment Plan must be paid in full before the Policy can be transferred (see Section 1.12 for all other Transfer details).
- If You fail to make a payment or repayment of the Instalment Plan in full by the due date the provider may, at its absolute discretion, charge a late fee proportionate to the additional fees and administrative duties applicable to the transaction.

1.11 DOCUMENT REPLACEMENT

In the event You lose or are unable to locate Your Policy documentation, You may apply for a replacement copy. No fee will be charged if it is sent by email to You.

3.9 TAXATION INFORMATION

Premiums are subject to Goods and Services Tax (GST) and Stamp Duty imposed by Commonwealth and State Governments. GST will also affect any Claim You make under the Policy. Please refer to the 'Goods and Services Tax' Section 3.10 of the Policy below.

Generally, Your Premiums are not tax-deductible and Claims payments are not assessable income for tax purposes unless You purchase Your Policy for business purposes. This taxation information is a general statement only. You should seek professional taxation advice for information about Your personal circumstances.

3.10 GOODS AND SERVICES TAX (GST)

Any Claim payments made under the Policy will be based on GST inclusive costs, up to the relevant maximum amount that We pay. However, if You are or would be entitled to claim any input tax credit for any of the things covered, We will reduce any Claim under the Policy by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST.

You are liable to Us for any GST liability We incur arising from Your incorrect advice or inaction.

3.11 OTHER INSURANCE

If at the time of a valid Claim under this Policy, there is another insurance policy in force that covers You for the same loss or expense, We may seek recovery of some or all of Our costs from the other insurer. You must give Us any help or information We may need to assist Us with Our loss recoveries.

3.12 FRAUDULENT CLAIMS OR MISLEADING INFORMATION

We take a robust approach to fraud prevention in order to keep Premium rates down so that You do not have to pay for another person's dishonesty. If any Claim under this insurance is deliberately fraudulent, exaggerated, or is intended to mislead, or if any deliberately misleading or fraudulent means are used by You or anyone acting on Your behalf to obtain a benefit under this insurance, Your right to any benefit under this insurance will end, Your Policy will be canceled without any Premium refund and We will be entitled to recover any benefit paid and costs incurred as a result of any such deliberately fraudulent or misleading Claim. We may also inform the police.

3.13 SUMMARY OF RIGHTS AND REMEDIES UNDER THE ACL

The protection afforded to You under this Product is in addition to and does not substitute for, or reduce the rights You have under the Australian Consumer Law (ACL). If and to the extent that You have a right to claim under the ACL, You may also need to Claim under Your Policy when not covered by the ACL.

The ACL protects consumers by automatically giving them basic, guaranteed rights for goods they purchase ('Consumer Guarantees') at no charge. For example, the ACL requires that, taking account of the nature of goods, the price, any representations made by the supplier or manufacturer and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known, and comply with any description given or any demonstration model used.

In the event of a breach of a Consumer Guarantee where there is a major failure of the goods, consumers are entitled to reject the goods and choose a replacement or refund and claim compensation for any reasonably foreseeable loss or damage suffered by consumers as a result of the failure. Where the failure does not amount to a major failure, consumers are entitled to have the supplier repair or replace the goods (at the supplier's choice). Whether a specific failure breaches a Consumer Guarantee and a consumer is entitled to a remedy under the ACL will depend on the circumstances.

Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable to expect in the circumstances, given factors including the age, cost and quality of the goods, the use made of the goods or any representation made by the supplier or manufacturer. Consumer Guarantees may continue even at the expiry of the Manufacturer's Warranty for the Motor Vehicle or this Policy. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances.

Motor Vehicles may also have an additional Statutory Warranty. The provisions of such warranties vary from State to State. Any Statutory Warranty may be in addition to or overlap the ACL and may also operate concurrently with the ACL.

3.14 ADDITIONAL BENEFITS UNDER THIS MECHANICAL & ELECTRICAL BREAKDOWN INSURANCE NOT AVAILABLE UNDER THE ACL

We appreciate that You may want the certainty of knowing that if the Motor Vehicle You buy is faulty, it is covered for specific events and a specific time period.

When You purchase this Product You are obtaining certainty as to the period of coverage and the remedy You will receive and the convenience of having the repair and/or replacement process efficiently managed for You by AWN and work undertaken by one of Our Approved Repairer.

You will be entitled to the benefits set out in this Product that are not available under the ACL which, subject to the terms and conditions of the Policy. They are:
